

**CRC One Day Play-Off March 13, 2010 Starting a 12:00 noon sharp.** ( Make- up date CRC One Day Play-Off March 13, 2010 Starting a 12:00 noon sharp. ( Make- up date 3/20/2010). Format is Single elimination Play. All matches to be the best 2 of 3 - 15 point games with scoring starting at 0-0 with first team to 15 by 2 or more points winning, with a cap of 18.

We are going to have a one day tournament like the Big Time Volleyball Organizations do except that instead of 12-14 hours in length we are going to do it in 5 hours !!

To make this work we are going to only have 3 minute warm-ups with play starting immediately after the warm up. Teams must be ready to start warm-ups right after the conclusion of the previous match. With everyone's help and consideration we can do this.

Subs from the league roster players are allowed, but with more than one person available to sub the sub to play will be drawn out of a hat and subs cannot play again until all of the other available subs have been drawn and played. If subs are available then teams must play with 6 on their side with at least 4 actual team members are present. If subs are not available, then a minimum of 4 players with at least 2 girls can play. The missing player positions will hold rotational order on the court in both back and front court areas, and will lose serve when rotated into the serve spot.

This format is being done as we used several Saturdays to make up for snow closing days. There is only 30 minutes allowed for each match play so that teams will be ready on the side lines to play. Some games may go over the 30 minutes allowed, but not by too much. Please understand this. The schedule is designed for no teams to have to stay longer than two hours except for the top 4 team bracket winner, who will have to come back at about 3:15 to play the winner of the bottom bracket. Sorry for this format, but hey, this should be interesting, and CRC players are very adaptable. This is something new and different to experience, for sure.
